The map produced by GreenInfo Network, 9/2017, illustrates Economically Disadvantaged Communities by Census Tract in the nine-county Bay Area. These communities are identified based on State Income Limits for 2017, as provided by MPOSD. The map shows the regions and tracts where the median household income is less than 80% of the county median income, compared to the nine-county Bay Area. The data source is the United States Census Bureau, and the map is produced by GreenInfo Network.
