INSTRUCTIONS

Please provide information on the topics below. The pre-application should not be longer than 3 pages (not counting maps or photos). Please submit your pre-application to grants@sfbayrestore.org.

Project and Site Description (2-3 paragraphs)

- Describe the major components of the project, and your organization's role in each project component. Specify what portion of the project would be funded by this request.
- Explain the project's goals and expected outcomes.
- Briefly describe the project location and attach a map of the project location (and photos, if helpful).

Project Schedule

Estimate the completion dates of major project tasks and any major milestones.

#	Task	Estimated Completion Date
1		
2		

Preliminary Budget

Estimate the budget by major task identified in the Project Schedule. Include the total cost of the project, and the proposed sources of funding (specify if funding is secured or pending).

#	Task Name	Restoration Authority Grant Request	Other Fund Sources	Total Cost
1		$	$	$
2		$	$	$
		$	$	$
	Total	$	$	$

Project Partners

List the organizations, public agencies (local, regional, state, or federal), Tribes, Tribal organizations, and community-based organizations that have confirmed their interest in being involved with the project and

describe their roles. If you are not the landowner of the project location, please describe any communication you have had with the landowner about their willingness to host the project. (Please note that a letter from the landowner confirming their willingness to host the project will be needed when the full application is submitted.) Also list any *potential* partners and what their roles would be if they agree to be involved in the project, and your communications to date with those potential partners to assess their interest.

☐ My project has been adopted by the San Francisco Bay Joint Venture and is included on its Project List. (If your project is not yet on the Joint Venture's Project List, go here for information about how to apply to be added.)

☐ My project will overlap with existing or future siting of the San Francisco Bay Trail or Water Trail, and I have met with staff of that agency. (If you have not met with the appropriate staff, Authority staff can help connect you.)
