

# **SAN FRANCISCO BAY**

## **RESTORATION AUTHORITY**

# Community Grants Cohort Update

Sara Haugen, Project Manager

# Context: Equity Recommendations

---

## Short-term Goal 2.4:

Prioritize building capacity of partners and applicants from historically underrepresented groups by offering technical assistance to support first-time applicants with navigating the process and eliminating barriers. (SI03)

Literacy for Environmental  
Justice Nursery Volunteers—  
Heron's Head Project

# Goal & Structure

Goal: Convene community-based organizations to build capacity in applying for and managing Restoration Authority grants and build connections with each other.
