

SAN FRANCISCO BAY
RESTORATION AUTHORITY

Biographies of Recommended Advisory Committee Members

1. **Lujain Al-Saleh** is the East Oakland Clean Air Project Coordinator for Communities for a Better Environment, where she ensures that the East Oakland’s air quality processes and plans are co-led by community members. Lujain has an academic background in public health, including research on addressing issues of water pollution in conjunction with community health.
2. **Maria Katticaran** is an architect and urban designer with HDR Inc, where she works on urban projects that prioritize sustainable and resilient development, accessibility, and restoration. Maria participated in the Oakland Shoreline Leadership Academy, serves on the San Francisco Estuary Partnership’s People & Wetlands Workgroup, and has a background in grassroots community planning.
3. **Eileen White** is the Executive Officer for the San Francisco Bay Regional Water Quality Control Board, which protects the quality of the region's water resources for public health and environmental uses. Prior to joining the Water Board, she held leadership positions in both wastewater and drinking water at the East Bay Municipal Utility District. She is a licensed Civil Engineer.
